

Executive for Personnel & Administration

2 December 1946

Chief, Legislative Liaison Branch

Projects of Legislative Liaison Branch for Week Ending
3 December 1946.

1. The following projects are currently being developed by the
Legislative Liaison Branch:

a. The final draft of Enabling Legislation for C.I.G. has been
approved by the Director and forwarded to Mr. Clifford M. Clark,
Special Counsel to the President.

b. In ~~my~~ conversation with General Counsel it was determined that
any proposed repeals, by the 80th Congress, of the war powery of the President
would not affect C.I.G. operations.

c. Drafting a lecture on C.I.G. for use by the Director on his
forth-coming trip.

d. In company with [] Deputy Assistant
Director, O.R.E., proceeding on a trip to Yale, Harvard, and Brown Universities
for conferences with their Librarians regarding the establishment of a
reference center in C.I.G..
